

Examples of Accepted Diplomas for CS*

One of the secondary admission requirements for **all applicants** is a sufficient official English test score (e.g. IELTS, TOEFL, CAE). Exceptions are made for students who have completed their education:

- In Canada (English taught secondary education),
- In the USA, the UK, New Zealand, Australia,
- With an English taught International Baccalaureate diploma,
- With an English taught European Baccalaureate diploma.

Please note that with the following diplomas you could be deficient in Math and/or English.

Most common diplomas

- **International Baccalaureate:** including Math SL or HL.
