

MATCHING MATHEMATICS

Details

Date: Tuesday 4 June 2019
Start time: 13:00 hrs
Building and address: Wis- en Natuurkundegebouw (Science Building), De Boelelaan 1085, Amsterdam
Location: Room WN-M623
Plan your journey: <https://goo.gl/maps/bRPkmaD1EaJ2>

Prepare yourself

This [link](#) leads to a short document with theory and questions about probabilities. We expect you to study this document and make the exercises in it before coming to the matching activity. You do not have to hand in your answers to the questions, but the lecture on probability theory will build upon them.

Programme
