

Step-by-step guide to Studielink

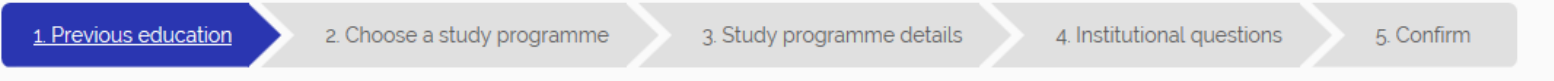

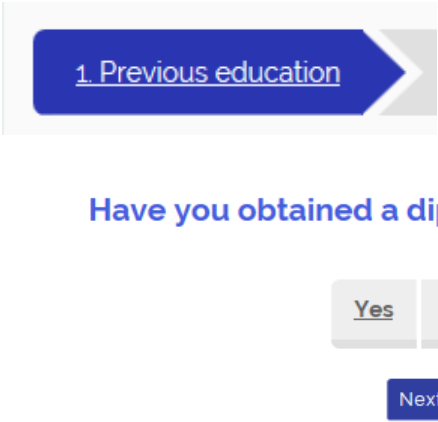

This manual will assist you in completing your application to a programme at Vrije Universiteit Amsterdam through Studielink simply and smoothly. Studielink may seem a bit of a hassle, but it is pretty straight-forward once you know how to navigate it. By following the steps below, you should be able to complete the application process within 15 minutes.

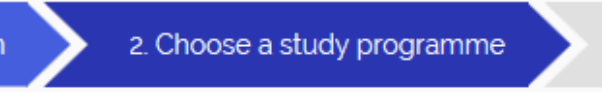

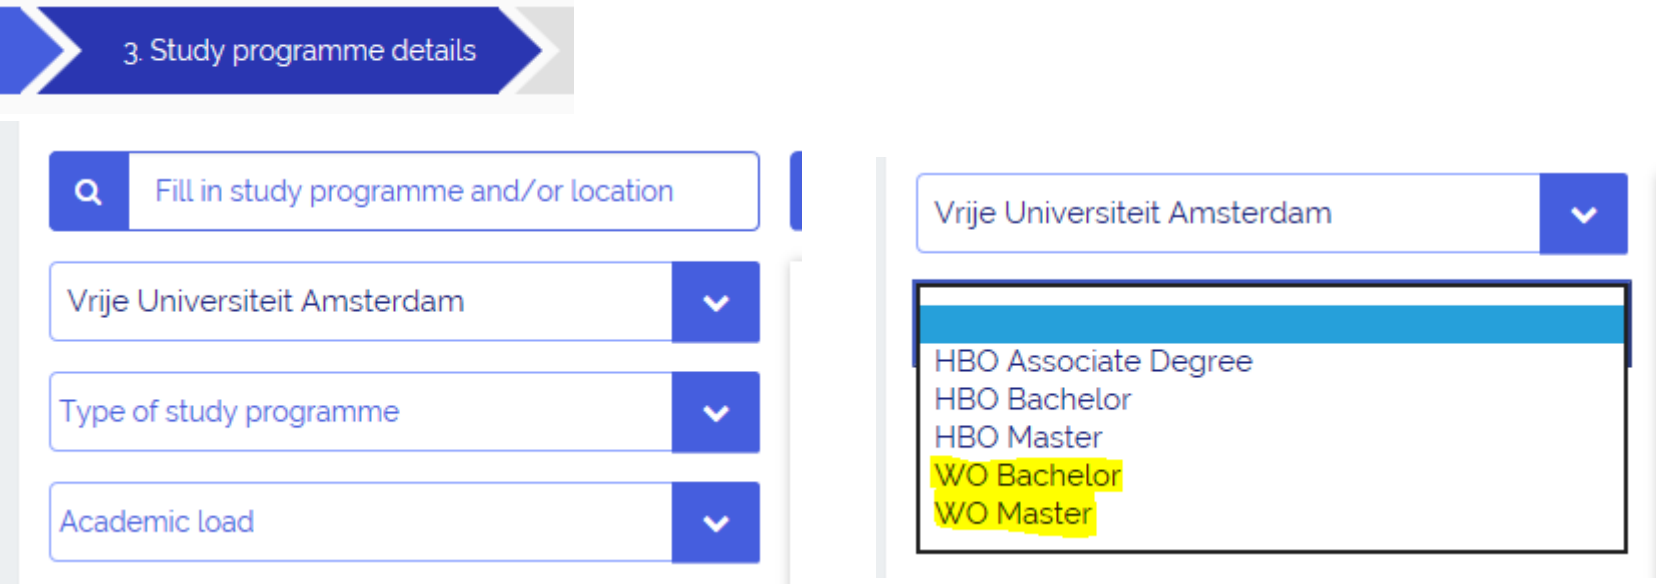

STEP 1:	Go to https://student.sl-cloud.nl	
STEP 2:	Change language in the top right corner	
STEP 3:	As an international student click on <i>“Create Studielink-account without DigiD”</i>	

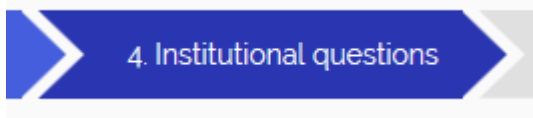

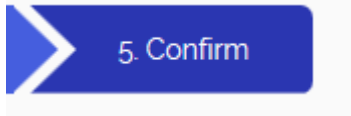

<p>STEP 4:</p>	<p>Create your Studielink account</p> <p>Fill out all required questions, read the general conditions, tick the boxes and click confirm</p> <p><i>Please make sure to remember or write down your password as you will need this frequently!</i></p>	
<p>STEP 5:</p>	<p>Check your inbox. If you didn't receive an email from Studielink, please check your spam folder or click resend</p>	

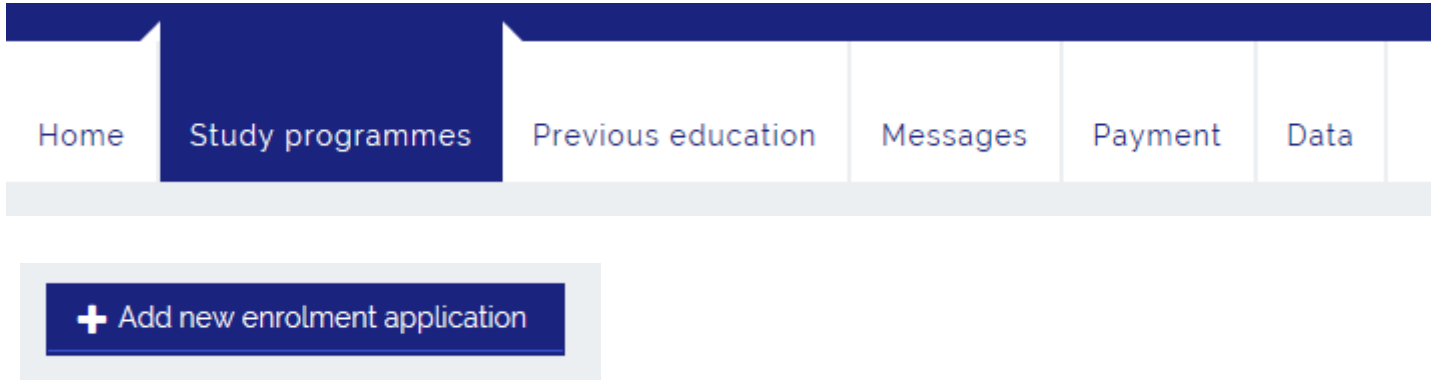

These first five steps are only required the first time you use Studielink; afterwards you can use your login name and password (received by email) and login directly to Studielink

<p>STEP 6:</p>	<p>Please click on 'Activate account / Verify email address' in the email you've received from Studielink</p>	<p>Click the link below to activate your account / verify your e-mail address:</p> <p>Activate account / Verify email address</p>
----------------	---	---

STEP 7:	Login with your account	
STEP 8:	To submit your enrolment application in Studielink you'll have to complete 5 steps	
STEP 9:	<p>Add your previous education by answering the questions. When your degree is not mentioned in the drop-down menu, please state other and add the name of your degree.</p> <p>Afterwards click <i>Confirm</i></p>	

STEP 10:	In case you wish to add another previous education you can do so by clicking on 'Add previous education'	
STEP 11:	Continue to 'Choose a study programme'	
STEP 12:	Find your programme of interest in the search bar or apply filters (select Vrije Universiteit Amsterdam and WO Bachelor or Master only)	

STEP 13:	Check the details of the selected study programme and tick the box.	<input checked="" type="checkbox"/> I am aware that previous education obtained outside the Netherlands, has to be verified by the educational institution.
STEP 14:	<p>In order to proceed with your application please tick the box.</p> <p><i>Please note that the Student Charter contains a description of the rights and duties of students on the one hand and of VU Amsterdam on the other hand.</i></p>	 <p>Student Charter Vrije Universiteit Amsterdam</p> <input checked="" type="checkbox"/> I am aware that the Student Charter (Studentenstatuut) is available on Student Charter
STEP 15:	Please check all the details and if correct check the box on the bottom of the page and click on 'confirm'.	 <p>Check the following details and submit your enrolment application</p> <input checked="" type="checkbox"/> I have checked all the details and they are correct.
STEP 16:	Please note: VU Amsterdam will verify your personal details once you have	

	<p>completed your application in VUnet, our student portal. Your previous education will be verified after your admission</p>	
<p>Optional STEP 17:</p>	<p>If you want to apply for more than one programme, this is possible via the following section in Studielink:</p> <p>Click on <i>'Study programmes'</i> and then on <i>'Add new enrolment application'</i></p>	

And that's it! You have completed Studielink! Now you can continue your application via VUnet. Check our step-by-step guide [here](#).

For more information on what you need to do to complete your application, please visit our website. For our Bachelor's programmes click [here](#) and for our Master's programmes click [here](#).

In case you have any questions about your application (or this manual), please do not hesitate to e-mail us: international@vu.nl
